**Report on two day workshop on Bio Statistics and Its Application Using Statistical package  
for Social Science (SPSS)**

The Department of Studies in Food Science and Nutrition, University of Mysore, Manasagangotri, Mysuru organized two day workshop on Bio Statistics and Its Application Using Statistical package for Social Science (SPSS) on 26<sup>th</sup> and 27<sup>th</sup> November 2021. This workshop aimed to provide hands on experience to M.Sc. students, Research Scholars and teaching fraternity of the manasagangotri campus. This workshop focused on introduction to statistics, some basic concepts, types of data, branches of statistics, parametric and non parametric tests, testing of hypothesis and types of errors. This workshop specially focused on SPSS including data entry to data analysis and its interpretation. A total of 7 technical sessions were conducted and about 60+ participants were attended in the workshop. All the technical sessions were handled by single expert Dr. Santhosh C. D., Assistant Professor, Narsee Monjee Institute of Management Studies, Bannerghatta Main Road, Bangalore. The workshop was inaugurated by the resource person and the faculty members of the department. Prof. Komala M. organizing chairperson of the workshop had delivered welcome address and introduced the objectives and resource person to the gathering. The feedback on the workshop was taken from the participants and the resource person was thanked at the valedictory session.

Dear Dr. Santosh

We are happy to inform that a two day workshop on “Biostatistics and Its Applications using Statistical Package for Social Sciences [SPSS]” is being organized by the Department on 26<sup>th</sup> and 27<sup>th</sup> November 2021. The participants will be Research scholars, PG students and Faculty from our department and sister departments. We are expecting 70 participants for this workshop.

Considering your vast academic experience in Statistics, we are inviting you to be the **Resource person for this workshop** of two days.
