

Communication Skills for corporate Life

This session was conducted on 23-7-2022 and the esteemed speaker was Mr. Manohar Mahalingappa, a senior associate for projects at Cognizant Softvision. With a background of over 11 years working in a spectrum of industries such as retail, banking and telecom, this speaker enlightened the students on communication skills which spoke to his track record in delivering business and technology. With emphasis on how to lead high – performing and multidisciplinary teams, the session focused on efficiency in communicating such ideas
