Subject 2 Pre NAAC meeting proceedings at Vinana Bhawan

Resolution 2 Vice president Abbas Salehbhai Vagh bringing the attention of the members towards the PPT presentation given by the president of Vinana Bhawan in presence of Honorable Vice Chancellor, He expressed his satisfaction regarding the

work done by the Association and mention that, if we can continue to work like this there is no doubt that donation will flow easily for the Association.

President Mr. Vasanth Kumar Thimokapun said that after viewing the PPT, I myself astonished knowing that what all work we have done to the community and to the public. Even at the time of covid pandemic we easily forget the good things we do. First if we show our activity then we can create a brochure and ask for membership and donation. Luckily our Board Advisor to U.S. Sri Bhadeer is arriving on 16th of this month if we show this PPT he will be very much convinced so that we can ask for the funds collected at USA. It will serve as seed money. If community gives a good site for UMAA. I will bear the complete cost of the office construction from my own funds. All the members thanked the president for his love & affection towards UMAA.

Agenda 3 Renewal of licence at Co-op dept.

Resolution 3 Treasure padmavatha explained that due to so many reasons the previous

Committee have not renewed the licence from past 21 years now we have build the file for 21 years completely and has filed the papers with Co-op department. As there are so many formalities to be followed which is difficult to our Committee I will suggest to take help of an agency which is well experienced in Co-op dept. activities to take the complete licence for 21 years. So we can pay the necessary fees to the Agency with the penal fee and other fees. our Auditors have suggested one name of the Agency it is maning co. The Administrator Vijay has agreed to do all the necessary steps to get the licence.

The Executive Committee approved the Agency to take all the necessary steps to get the licence renewed for the past 21 years and give authority to treasurer to pay the Agency fees with the penalty & other trade fees to be paid to Co-operative Department.

As There is no other subject the meeting concluded with the vote of thanks,
