

SUMMARY OF THE CELEBRATION OF "WORLD ENVIRONMENT DAY"

ORGANIZED BY

**BOTANICAL SOCIETY, DEPARTMENT OF STUDIES IN BOTANY,
UNIVERSITY OF MYSORE, MANASAGANGOTRI, MYSORE – 570006**

Celebration of "World Environment Day" on 5th June 2022 at DOS in Botany, Manasagangotri, University of Mysore, Mysore was unique this year.

Number of beneficiaries present were around 132 members in which 116 participants were students.

The day was started by planting the plants by Chief Guests Dr. G.R. Shivamurthy and Dr. C.R. Nagendran, Retired Professors and Children from Rashtrotthana Vidya Kendra, Mysore, Dr. K.N. Amruthesh, Professor and Chairman, DOS in Botany, Manasagangotri, University of Mysore, and Dr. Rajkumar H. Garampalli, Secretary and Coordinator Botanical Society, DOS in Botany, Manasagangotri, University of Mysore, Mysore, Professor Shobha Jagannath, Professor G.R. Janardhana, Professor S. Leelavathi, Professor M.S. Sharada, Professor M.S. Nalini, Guest Faculties, Research Scholars, M.Sc. Students and Office Staffs of our department were present and actively participated. The programme was live on FM Radio 92.7 Big FM anchored by Radio jockey Avinash.

On this day, as part of celebrations Children from the Rashtrotthana Vidya Kendra, Mysore had organized "Cycle Jatha" as part of awareness program for the

safety of Environment before the planting of the saplings at various places of the Campus.

After planting the saplings by our Chief Guests and dignitaries at our Medicinal Garden, DOS in Botany, Manasagangotri Campus, University of Mysore, Mysore, Professors together explained in detail the importance of the Environment Day as well as the importance of the plants in the role of maintaining the ecological balance. Plants are the major sources of the Environment for oxygen, food, medicinal uses, rainfall, holding the soil particles and mineral nutrients, etc.

Later a half day program by Professor G.R. Shivamurthy and Professor C.R. Nagendran, took our department M.Sc. Students for the survey of the plants and trees inside the campus for gaining knowledge about the taxonomy as part of their curriculum activity. They guided the students with key points how to identify the plants morphologically, key features or characteristics to be observed to identify plants. More than 110 M.Sc. students of our department gained the additional knowledge on Taxonomy.

In the last, the programme was concluded by Vote of Thanks to the gathering by Professor Rajkumar H. Garampalli, Secretary and Coordinator and Student Representatives Mr. Rajashekar and Ms. Kusuma.
