

### **Summary of Closing Ceremony of MIM Cohort – 2 Program , Dated 20<sup>th</sup> May, 2023 – Phase -3**

UCH in association with Reap Benefit Foundation, Bengaluru, had organized the closing ceremony of Mission Innovation Mysuru – Cohort-2 Program on 20<sup>th</sup> May, 2023 at Rani Bahadur Auditorium, Manasagangothri, Mysuru, for Post Graduate students of Department of Studies in Social Work, Manasagangothri, Chamarajanagara , Mandya PG Centres and Government First Grade College , KR Nagar.

Out of 103 students, who had registered for this program in the month of July, 2022, interested students went through the 3<sup>rd</sup> phase, out of which 15 students have willingly agreed to take this program to the next level and become social entrepreneurs, by establishing their individual, independent NGOs.

A gallery walk, arranged from the 9 teams namely, “Schemes for all, E- Market, Jeevajala, Save Library, Green Development, Dr Sanitation, Care for U, School Drop Outs, Recycle the Cup”, was witnessed by His Highness, Yaduveer Krishnadatta Chamaraja Wadiyar, Guests and various people from MBA department. The students of the 9 teams briefed the gathering about their experiences on the various problem statements taken up by their teams and their motives towards their solution. The pros and cons were considered on a serious note by the viewers.

The formal event began with the invocation by Jogi Kumar and team, UCH. Dr. HP Jyothi, Chairman, Department of Studies in Social Work, welcomed the gathering and Vote of thanks was proposed by Smt. Hamsaveni L, Coordinator – UCH. The program was inaugurated by His Highness and all the other dignitaries by watering the plant. In his inaugural speech, His Highness, expressed his views as to how the environment is being polluted and that as youngsters the students need to protect the environment which would otherwise lead to serious health issues. The idea of recycling plastic and water testing should bring awareness to the society. He also mentioned that each problem is interlinked to the other and this could lead to environmental and health problems. Mysuru would soon be a startup Hub because of its infrastructure and also people should not move out of Mysuru in search of good jobs. For this the students should avail the Government schemes and reach it to people. Mysuru cyber security Hub has been started by His Highness and that it is very important to know the schemes that are available. The students could make use of the Berunda Foundation, facility that is available and collaborate with them to start up to become entrepreneurs. Sri Manjanth S J - Director RUSA2.0, UoM, in his speech, mentioned that this program was supposed to have happened with MBA students by signing the MoU, but latter it was decided that the MIM Cohort-2 program be conducted for MSW students as this MIM program was closely related to their field, and he appreciated the MSW students for having come up with very good problem statements and solutions. The students have made the best use of the opportunity that was provided to them and these students are able to reach out to various fields and encouraged them to continue to become future social entrepreneurs in the society. UCH is a bridge between the students and the association.

Smt. VR Shylaja, Registrar, University of Mysore [UoM], who viewed the gallery, and Prof. N Nagaraja, PMEB – Director, [UoM], were unable to attend the formal event due to their busy schedule.

The students of Department of Studies in Social Work of University of Mysore, Manasagangothri, Dr. BR Ambedkar PG Centre, Chamarajanagara, Sir M Vishweshwariah PG Centre, Mandya, Government First Grade College, KR Nagar, actively participated in the program.

15 students have benefitted from this program as they have voluntarily agreed to take this program ahead to become social entrepreneurs, by establishing their individual, independent NGOs.
