Sub: Anamika Anil Internship Completion Letter

This is to certify that Ms. Anamika Anil has successfully completed her internship at Architecture Dialogue from 16.01.2023 – 15.05.2023.

During her internship, she was professional in her conduct, and managed to complete all the given tasks as requested. She took on all roles with diligence and completed them as required.

She is a dedicated and efficient team member who contributes in an effective albeit silent way. She was working on many projects that have started on ground and we are hoping that she can further gain site experience on these projects.

Thanking you

Yours Truly
