TO WHOMSOEVER IT MAY CONCERN

Niyathi R Khadilkar is student of School of Planning and Architecture, University of Mysore, underwent training in our office from 02.02.2023 till 31.05.2023. She will continue to work as intern till 30th June 2023 .

During this time, she was exposed to many processes of our Architectural practice and worked on a couple of Institutional projects and a large housing project. She has assisted senior Architects in developing presentations and working drawings. She has worked on the following projects:

1. Vellore International School
2. Rohan Balewadi Housing - Pune
3. Sreenidhi School - Hyderabad

We found Niyathi to be good, receptive and committed to the tasks entrusted to her. She has assisted the senior architects in developing presentation drawings and working drawings. Her sincere involvement in various projects is appreciated.

We have found our association with Niyathi to be fruitful and have found her to be a hardworking person. She got along with the rest of the office well. We have enjoyed having her as a part of our office and wish her all the success.
