Department of genetics and genomics,
University of Mysuru

UNDER THE GUIDENCE OF

Dr. Chaithra P.T
Department of genetics and genomics,
University of Mysuru

Certificate

This is to certify that the minor research project entitled " Analysis of gene variation and variation in dermatoglyphics associated with microphthalmia condition" is the record of work done by Ms. Meghana C. M, Department of studies in Genetics and Genomics, University of Mysore, Manasagangotri, Mysuru, Karnataka, under the guidance of Dr. Chaithra P.T, Department of studies in Genetics and Genomics, Manasagangotri, Mysuru, Karnataka. This work has not been the basis of any degree, diploma internship and scholarships of any other similar titles previously.
