"Every Child in School
and Learning Well"

Ref: Admn/PM/2022-23

Date: 01.10.2022

To whomsoever it may concern

This is to inform that Ms. Samyuktha Alwar, as part of her internship from the University of Mysore, Department of Journalism and Communication, worked 30 days at our organisation, Pratham Mysore, from 2nd September till 1st October, 2022.

As part of her internship, she worked with the Documentation and Communication team, and was assigned duties in designing posters for fund raising, recording and editing videos for case studies, and improving our social media pages. They also undertook field visits to the villages to better understand and document the impact of our programs.

During her internship, she demonstrated a strict adherence to time and project deadlines, ingenuity in coming up with solutions and displayed great team work. The films she has worked on have helped capture the work done by Pratham Mysore in the field of education in rural Karnataka, and has helped raise awareness about our organisation.

Pratham Mysore appreciates the work done by her. She will be a valuable addition to any organization she may be applying to in the future, and wishes the best of luck.

Regards,

Mr. Jagadeesh,

COO

Pratham Mysore
