To whomsoever it may concern,

This is to inform you that Mr. Sarvajith Kumar J.N., as part of his internship at the University of Mysore, Department of Journalism and Communication, worked 30 days at our organisation, Pratham Mysore, from 2nd September till 1st October, 2022.

As part of her internship, he worked with the Documentation and Communication team, and was assigned duties in designing posters for fundraising, recording and editing videos for case studies, and improving our social media pages. He also undertook field visits to the villages to better understand and document the impact of our programs.

During his internship, he demonstrated strict adherence to time and project deadlines, ingenuity in coming up with solutions and displayed great teamwork. The films he has worked on have helped capture the work done by Pratham Mysore in the field of education in rural Karnataka, and have helped raise awareness about our organization.

Pratham Mysore appreciates the work done by him. He will be a valuable addition to any organization he may be applying to in the future and wishes him the best of luck.

Regards,

Mr. Jagadeesh,

COO

Pratham Mysore
