Dr. T R SWAROOP., M.Sc., Ph.D.,
Assistant professor

ACKNOWLEDGEMENT

I owe a deep gratitude to **Dr. BASAPPA S** Chairman, Department of Studies in Organic Chemistry, University of Mysore, Manasagangothri for having taken keen interest in guiding me at all stages in the course of my experimental investigations, theoretical studies, discussion and writing during the preparation of this dissertation work.

I have great pleasure in expressing my heartfelt gratitude and sincere thanks to **Dr. K S RANGAPPA** Department of Studies in Chemistry, University of Mysore, **Dr. K MANTELINGU** and all other professors for their suggestion, helpful discussion and also encouragement during my studies. Their encouragement and valuable guidance through the work is embodied in the dissertation.

I am extremely thankful to the research scholars **Dr. R N SURESH, VINAY KUMAR D C, SWEEKAR B R, RAJESH, DARSHINI GOWDA, SHALINI V G**, for their constant support. I also thank the UPE- project, Vijnan Bhavan for the help regarding the instruments that were required for my dissertation work.

My deepest gratitude goes to my **Parents** for their encouragement, prayers and support, all through this study, I also express my thanks to all my friends who helped me to create a conducive atmosphere to work in.
