Kindly grant me to dropout my open elective subject Industrial mineral resources. I have total of 82 credits including this subject. I have already passed the 78 credits and minimum credits is 76. Actually inbetween that I have got some health issues because of health I was not here in Mysore. with that latter my grandfather got some health issues and some day latter, he was passed away.

In 2022 I already paid once for the re-exam of open elective but inbetween I didn't got any information related to re-exam and my grandfather was already passed away with one year was gone, so for that me and my grandmother hold lots of pujas for him. So I was not able to attend the re-exam with that they didn't accept me to do re-exam.

I strongly request you to permit me to dropout my open elective. as I am losing my current job without my master degree certificate.

Thank You
yours sincerely
