

7th International Conference on
**Ion Beams in Materials Engineering and
Characterization (IBMEC-2022)**

November 16-19, 2022

Best Oral Award

This certificate is conferred to

Arshiya Anjum

University of Mysore, Mysuru
for the **BEST ORAL** presentation titled

*"80 MeV Nitrogen ion irradiation studies on N-channel MOSFETs
at low temperature."*

in the 7th International Conference on Ion Beams in Materials Engineering and
Characterization (IBMEC-2022) during November 16-19, 2022 organized by Inter-University
Accelerator Centre, New Delhi, INDIA.
