TERMS AND CONDITIONS

1. All original data shall be compiled and delivered after completion of each semester to the University or to the technical expert deputed by the University and software as stated in the Tender Document Appendix-C, Sl.No.4 shall be handover after end of contract period.
2. In case, poor performance and non-compliance, the university shall have all the right to terminate the contract based on the technical committee report.
3. M/s META-I shall not sublet directly or indirectly any part of the contract to any person, firm or corporation, except local man power through manpower agencies.
4. M/s META-I is required to deploy the necessary manpower resources both Technical and Operations at the University project location throughout the tenure of the project and to furnish the details of each staff members who are associated with this work to the Registrar (Evaluation). The META-I shall appoint them only after ascertaining their integrity; the University shall have the right to initiate criminal proceedings against the employees of M/s META-i if they are involved, directly or indirectly in any kind of illegal activities which would damage the reputation of the University.
5. M/S META-I shall ensure that confidentiality is maintained at all levels of work.
6. M/S META-I shall handover all the materials / documents including software as stated in the Tender Document at Appendix-C, Sl.No. 4 to the university after expiry of the tender period.
7. The payment to be made at the time of every examination will be in FOUR stages (as per Tender Document Clause IV, Sl.No. 25) i.e.
 - a. Stage -1: 40% of the estimated cost on completion of the Pre-examination activities culminating in the provision of Hall ticket generated for download by students/ colleges. UG / PG/ Distance Learning may be grouped separately for billing, if exams are spread across.
 - b. Stage-2: 30% of the estimated cost on completion of Coding and handover of scripts for evaluation. UG / PG/ Distance Learning may be grouped separately for billing, if exams are spread across.
 - c. Stage -3: Balance 30% amount will be from actual hall tickets generated for semester/annual schemes, carryover exams, reappear/instant exams along with adjustment of excess /shortfall claims based in headcount of stage 1 &stage 2,aftercompletion of the result processing, publishing and printing of the marks cards.
 - d. Stage -4: Bill for issue of additional marks cards will be paid after the completion of the said work during each cycle of Semester / Annual examinations.
 - e. Payment for Digitisation of Evaluated scripts and On Screen Marking(DE) shall be made in one single payment based on the Script Count after the submission of completion report for the Semester / annual exam cycle as per syllabus.
8. M/S META-I shall adhere to the directives of the University in completing the job chart as per the dates mentioned by the Registrar (Evaluation) failing which a penalty of Rs. 10,000/-

Registrar (Evaluation)
University of Mysore
MYSURU

per date for each elongated date of occurrence will be imposed. M/S META-I, for any reason is unable to comply with the requirement, shall inform the matter to the Registrar (Evaluation) with sufficient reasons in writing well before the time and seek his approval, failing which the penalty clause will be effected.

9. M/S META-I shall be responsible for the mistakes, if any, committed intentionally or otherwise and the University may impose penalty in such cases depending on the gravity of the mistake.
10. The contract shall be given for Nov / Dec 2019 to April/May 2023 Examinations(as per the Tender Document Clause II, Instructions to Tenderer).Andtechnical committee review should be done after each examination process. Further satisfactory execution, based on the technical committee decision tender tenure may be extended for another cycle. The renewal process shall be completed before the expiry of the ongoing contract period ie., April/May 2023. Cost escalation, beyond the normal yearly escalation of 5 percent (as per the Tender Document Part IV Terms and Conditions, Sl. No. 4), due to abnormal escalation of prices of stationery, consumables, labour, newer technology etc., if any, will also be considered during the review process and mutually agreed.
11. M/s Meta-I has furnished to the University in the form of Bank Guarantee in favour of Finance Office, University of Mysore for an amount equivalent to 5% of the total estimated cost of the entire project of one semester i.e., Rs.24 Lakhs (Bank Guarantee No.050531319BG0004673, dated 26/11/19, SBI, Jayanagar II Block Branch). The performance security shall be renewed if extension of tenure is granted beyond FOUR years. Failure of the successful party to lodge the required Performance security shall constitute sufficient grounds for the termination of contract. The performance security shall remain in force until the completion of all the stages for the respective years. The performance security shall be released within one month from the date of issue of completion certificate. The obtaining of such guarantee (and the cost of guarantee), shall be at the expense of the party.
12. **Identification of the data provided:** To provide for the authenticity of the legacy data, one sealed copy each of the legacy data shall be held by the company as well as the University which will facilitate ratification/verification/ comparison to the data at later stages, if required.
13. **Data conversion:** The conversion of data take place in a phased manner taking into consideration the priority as detailed by Registrar (Evaluation). However, M/s META-I shall provide a hard copy of the Marks Ledger Sample copy, for each course after conversion of the available data in order to enable the University to make sure of the correctness of the data so converted.
14. **Mode of communication:** All important communications from the University relating to their notifications/ directives/ decisions/ schedules shall be issued to M/S META-I, in writing.

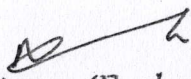

Registrar (Evaluation)
University of Mysore
MYSURU

15. **Transportation of materials:** The University shall make necessary arrangement to provide transportation of examination related materials between the evaluation centres to the hub/ Storage area etc. and vice-versa.
16. **Acknowledgement and confirmation:** The University shall issue an acknowledgement in writing, duly signed by the officials nominated by the university, for the work completed and the data handed over to the University.
17. **Ownership of Data:** It is understood by both the parties that the University is the custodian of the data at all times. M/S META-I uses the data as provided by the University for processing the results and upon completion of the work returns to the university all data pertaining to the examinations / results in the mutually acceptable current technology platform/format to both the parties.
18. **Completion certificate:** Upon completion of the project, the University shall issue a Certificate of Completion.
19. **Process Delays:** M/s META-I shall not be held responsible for any consequential delays borne out of delayed availability of required data, relocation of work space/failure of infrastructure/ systems etc., which are beyond the purview of M/S META-I. M/s META-I will not be responsible for any delays resulting due to change in systems/ process introduced without its prior consultation. However, M/S META-I shall adhere to the directives of the University in completing the job chart as per the revised dates mentioned by Registrar (Evaluation).
20. It is further specifically clarified that if the University feels expedient to modify the existing process/ sub process / methods or feels expedient to modify any related software or hardware, data hosting or any service provided by M/S META-I , which are included in the contract, then the University , through its Registrar (Evaluation) will decide upon the said "modification" in prior consultation with the Technical Team of M/s META-I , so as to ensure smooth transition into the new process/es in a time bound manner. It is clarified that to ensure proper planning and coordinated working schedule of works and deliverables will be mutually discussed well in advance and agreed in writing to allow for proper advance planning at both ends.
21. **Force Majeure:** Neither party to this agreement will be liable for breach of this agreement to the extent caused by or arising from prohibition or restriction by law or regulation of any government, fire, floods, storms, weather, strike, lock-out or other about problems, accidents, riots, natural calamities or other events beyond the party in breach.
22. **Interaction:** While discharging functions related to processing of results as per this agreement, M/s META-i shall confine its interaction to the university and the colleges affiliated and the nominated officials only. M/S META-I shall also ensure security and confidentiality of the information by seeking the support of the University shall ensure all security precautions. Any breach of security and confidentiality from the employees of M/S META-I, M/S META-I will be responsible for all consequences.

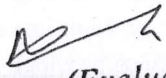

Both the parties will nominate one Single Point of Contact (SPOC) for all the activities to ensure proper working coordination and to remove confusions and ambiguity.

**NATURE & SCOPE OF WORK
(As per Tender Document Part V)**

A. Outsourcing of Examination (Pre & Post) Work including Result processing and National Academic Depository (NAD) work fulfilment.

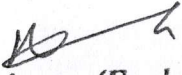

1. Carry out the systems study at the premises of the University and Conversion of the existing data to the new format, at the cost of M/s META-i.
2. Understanding rules, regulations, Gazettes governing conduct of examinations and award of marks specific to each course and incorporation in the Master Data.
3. Designing of logic for coding / decoding of register number and generation of University Registration Number for new admissions.
4. Setting up of Course Regulations, subject parameters and Question Paper codes.
5. Online updation of Candidate's list and preparation of examination schedules.
6. Generation of Q.P indent – college wise and examination center wise – for Exam Department.
7. Online generation of Answer Book requirement and Answer Book bundle despatch statement – examination center wise.
8. Online generation of printable Exam Application form (exceptional cases), Hall ticket and Candidates' List
9. Appearing Statement (center wise list of students appearing for a paper)
10. Online capturing of I.A. / Viva / Practical marks from colleges and preparing the IA data files for hosting on internet for verification from colleges. Hardcopy printing provision of IA/PR/Viva marks at college level for submission to University.
11. Receipt of answer book from examination Department, counting and sorting of answer books based on question paper code and coding of answer scripts / preparation of bundles or packets of the coded answer scripts and keep them despatch ready or issue to the valuation coordinators.
12. Online capturing of examiner information and generating ID numbers and Gradation list.
13. Online entry of Theory Marks immediately after the Valuation at Centralised evaluation centres or data entry cum award sheet scanning process for decentralised evaluation capture accurate data.
14. Maintain answer book bundles in racks with bundle numbers for easy retrieval
15. Provision for colleges to enter Absentees and Malpractices details online.
16. Result computation and publication on along with Result Notification for Press, if needed.
17. Generation of data files for hosting college Notice Boards.
18. To support in Revaluation / Retotalling / Challenge valuation / Board valuation / 3rd valuation such as pulling out Answer Scripts / masking of marks / coding / entry of revaluation marks / generation of 3rd valuation report.
19. Incorporation of Revaluation /retotalling /3rd valuation mark changes and result publication
20. Supply and Printing of up to one marks card for each student per exam per semester on a **maplitho** paper of 105/120 gsm with standard security features. Charges for additional marks cards printing arising out of revaluation/ errors in data provided by University etc. is to be quoted separately. Wastages on account of errors from Vendor's side will not be paid.
21. College wise sorting of Marks cards with despatch slip.
22. Generation and printing of examiner wise and coordinator wise work done statement.

APPENDIX- B

(As per Tender Document Part V)

B. Digital Services for Colleges and Students

1. To introduce web portal and mobile application in all spheres of examination management to provide timely communication to all stakeholders;
2. Designing & hosting of online Examination Application form for student / college, provision for online Fee payment through Payment Gateway integration for debit /credit / online banking transaction or challan generation for offline payment.
3. Online application for capture of Student data, including Aadhar and other National Identity details, signature and photograph uploads etc
4. Online College portal facilitating the following:
 - a. Upload of Internal Assessment (IA) / Practical (PR) / Dissertation or Project Work marks
 - b. Printable hall ticket download facility for Students/Colleges
 - c. Facilitating exam related download & print ready Admission ticket, randomised seating plan generation, invigilator diary/ attendance sheet, absentee / Malpractice intimation, Answer booklet bundle slip generation, IA/PR print version etc, as per University's requirements.
5. Notification regarding admissions, exams, results, Marks Cards, Rank List etc
6. Vendor should maintain a HELPDESK telephone number as well as email and online grievance redressal facility to attend to all queries & grievances of students and queries of colleges during the University working days and hours. Issues necessitating the intervention or decision of Exam Department should be escalated for prompt disposal.
7. Introduce digital services in all activities of Examination Department and develop dashboards for key functionaries.
8. Migrate to paperless work environment and thus reduce wastage of national resources.
9. Use of digital media for providing relevant and timely information to students regarding Admissions, Examinations, Results etc.
10. Provision for colleges to enter Absentees and Malpractices details online.
11. Result computation and publication on digital media.
12. Hosting result on internet and intimation to students through Push SMS and digital media.
13. Online application for students to apply for Revaluation /Re-totalling/ RTI / Photocopy of answer scripts etc along with payment gateway integration.
14. Carrying out old corrections such as name corrections, announcement of "To be Announced Later (TAL) cases", issue of Duplicate Marks Card / Consolidated Marks Card etc.

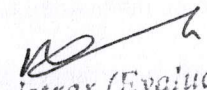

Registrar (Evaluation)
University of Mysore
MYSURU

(As per Tender Document Part V)

C. Digitization of the Evaluated Answer Scripts for Digital Storage and Retrieval

1. Digital storage of answer scripts (post evaluation) along with intelligent script level retrieval software. The digital image should be encrypted and compressed to maximise storage of multiple semester script images. Big Data storage and retrieval platform should be used.
2. After the semester result announcement is complete in all respects (including revaluation/moderation etc.), 100% digitisation of answer scripts for storage in digital media.
3. The scripts after digitising are to be stapled and stored in polythene / paper envelopes with suitable tagging system for easy retrieval of physical scripts till the disposal at a later date.
4. Proprietary software for intelligent indexing and easy retrieval by University staff at a later date is to be handed over to Exam Dept.

Registrar (Evaluation)
University of Mysore
MYSURU

(As per Tender Document Part V)

D. On Screen Marking (DE)

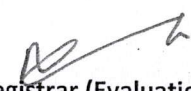

1. Vendor should be capable of proceeding with digitising of answer scripts which are pre-coded or code them if student data comes with the answer script.
2. Responsibility of receipt of answer scripts, its reconciliation with student/subject code, tagging it to the QP code would have to be monitored through online reports and dashboards.
3. Vendor may proceed with cutting the spine or without, for scanning and digitising. However, integrity of the full answer script with all pages intact would have to ensure by M/s META-i. Discrepancy if noticed would have to be brought to the notice of the Exam Department before proceeding with digitising.
4. Hardcopy scripts will have to be stored for easy retrieval should the need arise.
5. Subject-wise, Course-wise evaluator-wise progress would have to be made available to Exam Department on daily basis.
6. Malpractice cases indicated by evaluators would be brought to the notice of Exam Department for further documentation.
7. Moderation and Re-evaluation rules will be applied as dictated by the University.
8. Training to the Evaluators and later co-ordination desk would have to be set-up to address queries and issues faced by the evaluators.
9. Remote helpdesk would have to be maintained by M/s META-i to assist internal or external evaluators.
10. Cutters, scanners and Servers will be arranged by M/s META-i. Desktops in University or College computer labs would be made available for centralised or distributed evaluation by the evaluators. University would provide space, uninterrupted power, Air conditioners for scanner and Server enclosures, adequate network bandwidth and Static IPs as required to implement single or multi location evaluation centres.
11. Vendor would provide online web based application for processing RV/ Photocopy of script/ RTC requests with integrated payment gateway.
12. Vendor would have to generate evaluator wise invoices for the online evaluation work carried out.
13. University intends to implement paperless evaluation in stages over a period of time. Towards that it expects M/s META-i to carry out suitability study of various courses and suggest a phased implementation plan.
14. Vendor would code the selected Course scripts and proceed to digitise without any omission or errors by taking unique page/script marking practices.
15. QPs of selected Courses would have to be digitised to produce exact visual replica of printed QP. Simultaneously validation of total marks and hints to evaluators will also be incorporated.
16. The scripts after digitising are to be stapled and stored in polythene / paper envelopes with suitable tagging system for easy retrieval at a later date.
17. Evaluation model could be centralised or decentralised or a mix of both. Suitable technology to cater to such implementation would have to be put in place.
18. Enlisting /registration of evaluators and mapping of their availability would have to be driven through the software.
19. Productivity of each evaluator /moderator etc. would have to be monitored in real-time.
20. System should be able to provide analysis of marks / time devoted to each script / session or day wise completion reports.

[Signature]
 Registrar (Evaluation)
 University of Mysore
 MYSURU

21. Moderation and revaluation rules pertaining to each Course will have to be implemented programmatically.
22. Over a period of time a Question Bank of digitised QPs would have to be created and handed over to the Exam Department for analysis and future use.
23. Marks captured from DE process would have to be handed over in requisite format to Exam Department for result publication.
24. Online requests for Revaluation, Photocopy of script, RTI Query etc. will have to be dovetailed into DE process so that digitised copy or printed copy of answer scripts would be made available without any delay.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is essential for ensuring the integrity of the financial statements and for providing a clear audit trail. The text also mentions the need for regular reconciliations and the use of appropriate accounting methods.

In addition, the document highlights the role of internal controls in preventing errors and fraud. It suggests that a strong internal control system can help to ensure that all transactions are properly authorized and recorded. The text also discusses the importance of segregation of duties and the need for regular monitoring and evaluation of the internal control system.

The document also touches upon the importance of transparency and communication in financial reporting. It suggests that providing clear and concise information to stakeholders is essential for building trust and confidence in the organization's financial performance. The text also mentions the need for regular communication with investors and other stakeholders.

Finally, the document discusses the importance of staying up-to-date on changes in accounting standards and regulations. It suggests that organizations should have a process in place to monitor and respond to changes in the accounting environment. The text also mentions the need for ongoing training and education for accounting staff.

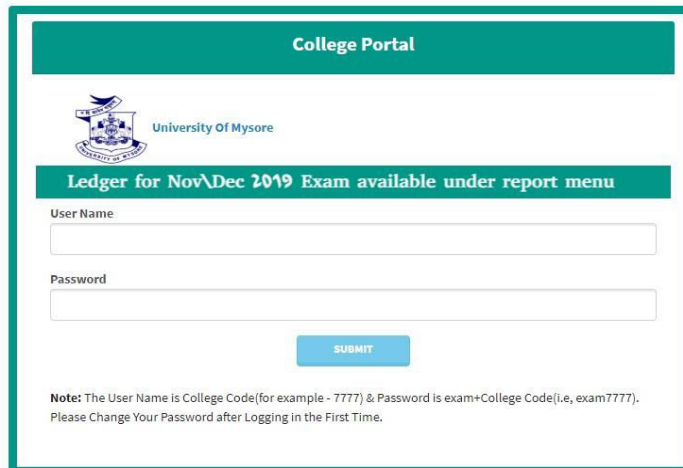

In conclusion, the document emphasizes the importance of a strong financial reporting system. It suggests that organizations should focus on maintaining accurate records, implementing strong internal controls, and providing clear and concise information to stakeholders. The text also mentions the need for ongoing monitoring and evaluation of the financial reporting system.

The document also discusses the importance of maintaining accurate records of all transactions. It emphasizes that this is essential for ensuring the integrity of the financial statements and for providing a clear audit trail. The text also mentions the need for regular reconciliations and the use of appropriate accounting methods.

In addition, the document highlights the role of internal controls in preventing errors and fraud. College will get the Subject-Details as above report to verify with the Subject Components

7.) Candidate List : -

The screenshot shows a web application interface with a green header bar. On the left side of the header, there is a navigation menu with the following items: Student Detail, Exam, IA/PR Awards Entry, Reports, Examcenter, and Security. On the right side of the header, there is a logo, the text "Welcome 1207", and a "SIGN OUT" button. Below the header, there is a white box with a blue title bar that says "Candidate List". Inside this box, there are two input fields: "College Name" with the value "REGIONAL INSTITUTE OF EDUCATION(1207)" and "Course" with the value "ACRIE". Below these fields is a blue "DOWNLOAD" button.
