

## *Intel. Active - Session*

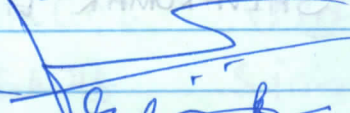

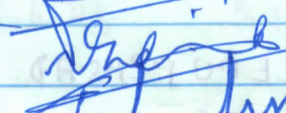

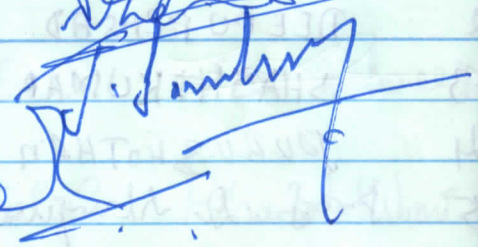

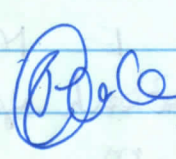

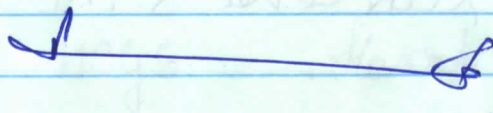

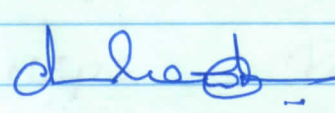

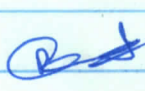

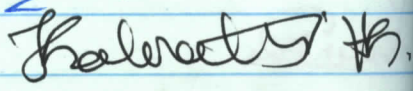

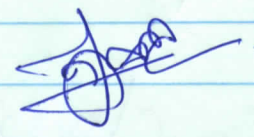

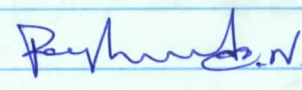

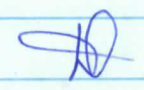

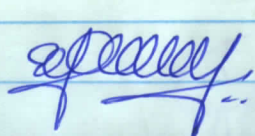

On December 12<sup>th</sup> 2022 Dr. B.R. Ambedkar Research and Extension Centre, University of Mysore held a interactive program with Prof. Suraj Yengde focusing on Dalit intellectualism and related social justice issues.

In such events, participants would engage in discussions, dialogues, and possibly presentations, exploring various aspects of Dalit scholarship, activism, and the broader context of social inequality. The presence of the Center Director, professors, researchers, and students suggests a diverse audience interested in learning from Prof. Suraj Yengde's expertise and contributing to the discourse on caste dynamics and marginalized communities.

These kinds of interactive programs play a crucial role in raising awareness, fostering dialogue, and promoting academic inquiry into issues of social justice and inequality. They provide platforms for intellectual exchange and empower individuals to critically analyze and address systemic injustices.
