

## **Report on Mobile Science Laboratory**

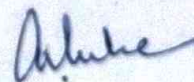

As a part of extension activity of School Internship Programme of M.Ed. Course, M.Ed. trainees had organized 'MOBILE SCIENCE LABORATORY – An initiative of Committee for development of Science in Schools - CDSS, University of Mysore, Mysuru' to the 8<sup>th</sup>, 9<sup>th</sup> and 10<sup>th</sup> std students of Vivekananda High School, V. V. Mohalla, Mysuru which is an aided institution on 4<sup>th</sup> January 2024.

The mobile science laboratory van along with the resource persons Sri. Chandrashekar (Co-ordinator), Harshitha (Physics), Kavyashree (Chemistry), Varshith (Mathematics), Ravikumar (Biology) arrived at the venue.

The supervisor Dr. Rashmi. J, Guest Lecturer, Department of Studies in Education, University of Mysore, welcomed the resource persons on behalf of the Chairperson and the Department and spoke about the importance of STEM education and the purpose of organizing the Mobile Science Laboratory to the Students. The main intention was to expose students to science experiments and develop scientific temperament among the students.

The mobile science lab consisted of various models and working models related to physics, biology and chemistry subjects. The students could see and experience many experiments in physics and chemistry with the assistance of resource persons and could see the cells, tissues of plants, animals, microorganism and many more with the help of microscope. An interactive session was also conducted at the end wherein questions of students were attended to. Students actively participated in the session and cleared many doubts with the resource persons.

Vote of thanks was delivered to the resource persons by M.Ed. trainee at the end and the session ended fruitfully. The Head Mistress of Vivekananda High School Conveyed special thanks to the Chairperson, Supervisor and M.Ed. students of Department of Studies in Education for organizing this programme which helped students to enrich their knowledge.
