Election at College

For the first time in the history of the department, Student elections was held, to make them involve in various activities and development of the department by their active participation. Students of both first and second years contested for 6 positions, rest voted and election were conducted in a democratic manner under the supervision of research scholars' team (they were the election officials). Winners were announced and oath taking ceremony was held.

The main purpose is to instil leadership quality in students, initiate good programs, involve them in team building and so on. They will be the bridge between department and student community.

Kannada daily PRAJASATYA visit to Department

Alumni Chandrashekar (1995) batch who is the presently the Editor of Kannada daily PRAJASATYA visited Department with an idea of providing skills and mentoring the students on various aspects of newspaper production.

The skilled professionals and paper have offered 4 pages exclusively for our department students to write, design and bring out supplementary issues once in 15days. The skills, talent and professional inputs is surely going to add on more expertise to our students.

The Department team JMC thank him for this imitativeness and look forward for a professional input for our students

The department will formally agree upon this exchange of professional output. students seem to be excited. Without disturbing our academic activities this will be carried on Looking forward.

Interdepartmental activity at the department

Interdepartmental activity at the department today. Ambedkar study centre, UOM, had collaborated with the department as a part of their lecture series. Was happy to have Prof Usharani mam as the speaker.

She spoke on Freedom of Press and Constitution. Very good deliberation followed by interaction

Faculty, scholars and students of both departments participated.

YUVA VANI

Students of the department recorded the program for YUVA VANI at AIR, Mysore today. The team spoke on theme MY DREAM FOR INDIA

Students team Deekshith Nair, Dia, Yateesh, Anjali and Shishir gave their best in the 40 mins program.

Students also had a good exposure of the technical aspects of radio program production.

Was happy to meet our alumni Digvijay at the station, who is working as program assistant at AIR Special thanks to Bedre Manjunath sir

Panel discussion

Forum Activity

Panel discussion was organised for students on the topic Dependency on Technology; Where Should we draw the line.

Students of both first and second year participated and presented their thoughts as a panel Moderated by Manjunath Subedar. good flow of thoughts and justification followed.

These discussions are initiated to instil confidence among students to speak their heart out on issues concerning the society (current affairs)

Special lecture

Students of journalism need to develop a good scientific temper. Science writing is one of the avenues that students should try to explore. There is a need for good science writings. With simple steps and curiosities in science issues journalists can do wonders, Said Dr Biju Dharmapalan , of Delhi Health was addressing the students in the special lecture organised by the department on science communication. Good interaction followed by students in various aspects of ethical issues and science, future of science, human existence and animal human conflicts

SANKRANTHI celebration

A colourful and memorable SANKRANTHI celebration organised by final year students Snippets of the puja, bullock cart photo shoot and games organised to make it more inclusive Cultural exchange for students Thanks to all for making it happen.

Sports day

Physical fitness and building team spirit among the students. Sports day at our department today. Cricket, Kabaddi and Badminton. Students participated with great enthusiasm and performed well Thanks to all faculty, guest faculty, scholars and students for participating with full zeal.

AGRICULTURAL REPORTING IN MEDIA

An interaction program with the author and the journalists about the importance of AGRICULTURAL REPORTING IN MEDIA is being organised at the department in association with Krishi Vigyan Vedika, Mysore for the students of the department. Agricultural reporting needs a high detailing of many aspects

A direct interaction with people and journalists who have dedicated themselves for this area of reporting.

Students posed question related to agricultural problems, organic farming, crop cultivation, govt programs for farmers during the discussion hosted by department with scientists our agricultural scientists today. The program had a book discussion and author speaking about its importance. Many feels agriculture is neglected and how young budding journalists can prepare themselves for development reporting. A good insight to listening to good speakers too

Thanks to staff scholars and students for participation

We thank the Vedika for associating with us.

Vasanth Kumar Thimakapura sir Thanks to you and your team for thinking of our students for this interaction program to make them more sensitive towards the issues of agriculture.

Poster Competition for students

A day for exploring their creativity, culmination of ideas, team work, and presentation skills was done as a part of the activity. students did a fantastic job by coming up with ideas, slogans and drawings. Themes on My vote my right, children and health, women empowerment, environment, politics and religion.

Forum Activity

Political reporting is a bit challenging and interesting. An attractive area for upcoming budding journalists. A session to understand the nuances of the beat and to make it more interesting.

A good session on the insight of how political reporting has evolved and how budding journalists need to take up the beat. Certain Dos and Don'ts of reporting were discussed and guided by the senior political reporter, Kudli Gururaj today

Team JMC thank him for his guidance and session followed by an interactive Q and A Prof Mamatha, Dr Naveen Scholars and students were present.

WORLD RADIO DAY....

Meet one of the bubbling and very talented RJ from RED FM ... RJ Rashmi will be interacting with our students and giving tips to build a career in radio.

The preparation, the practice, the patience, the perseverance and the passion are what drives you to be a successful RJ, said RJ Rashmi of RED FM, she was interacting with students of the department on the occasion of WORLD RADIO DAY she stressed about the nitty gritty of scripting, technical knowledge and adding life to the content while presenting in radio. 90 mins of nonstop session followed by Q and A session. Students attended the program along with scholars.

The poster is for 'WORLD RADIO DAY' held on February 13th. It features a central circular portrait of RJ Rashmi from RED FM. The event is organized by the Department of Journalism and Mass Communication at the University of Mysore. The poster lists the presence of Prof. Sapna M S as the Chairperson and Professor, and Prof. N Mamatha and Prof. C K Puttaswamy as other faculty members. It also mentions the participation of guest faculty, research scholars, office staff, and students. The event is scheduled for 11 AM on Tuesday at Journotri Hall. The poster is decorated with illustrations of various audio equipment like cassette players, speakers, and headphones.
