AALEKH 4.0

The Planning Department of our institution, encompassing students and faculty from B.Plan and MURP, hosted its highly anticipated annual fest, Aalekh 4.0, from January 3rd to January 6th. This four-day celebration brought together creativity, culture, and camaraderie, making it a memorable experience for all participants.

Day 1: Banner Launch

The festivities commenced on January 3rd with a grand banner launch at the college front, marking the official start of Aalekh 4.0. The unveiling of the banner set a spirited tone for the event. This was followed by an exhilarating treasure hunt, which tested the participants' problem-solving skills, teamwork, and sense of adventure.

Day 2: Ethnic Day

On January 4th, the college transformed into a kaleidoscope of colors as students and faculty embraced Ethnic Day, adorning themselves in traditional attire.

The day began with a formal inauguration ceremony, graced by the Director and HODs, followed by a felicitation of the faculty members, acknowledging their dedication and contributions, creating an atmosphere of gratitude and respect. The rest of the day was filled with an array of cultural performances that included vibrant dances, soulful music, engaging games, and interactive activities, creating an atmosphere of joy and celebration.

Day 3: Sports Day

The final day, January 6th, was dedicated to sports events that promoted teamwork and fostered stronger bonds between students and faculty. Enthusiastic participation was seen in games like cricket, volleyball, throwball, and badminton, with a faculty member included in each team. These friendly matches provided a refreshing break from academic routines and reinforced the spirit of inclusiveness.

Aalekh 4.0 was a resounding success, offering a perfect blend of fun, culture, and sports. It not only celebrated the vibrant student life of the Planning Department but also strengthened the relationships between students and faculty, making it a memorable event for all. We look forward to the next edition of Aalekh and hope to continue this tradition.
