

Introduction

The NASA India Logo is the primary identifier of the association; it portrays our core values of who we are and what we stand for.

The logo comprises of three main elements, namely:

THE ARCH
The strongest of structural elements; symbolizes the association's strength; "the students."

THE DOORWAY
Welcome everyone, the doorway opens for you.

THE SANCTUM
The whole world of creativity, innovation and support is you, for you.

NASA

The Word NASA and National Association of Students of Architecture uses the typeface MICROSOFT SANS SERIF set in Black and regular bold format. The Name and Logo of NASA India mainly captures a broad sense and essence of the Association.

ORIENTATION DAY

Orientation Day was celebrated on 6th November 2023 at Prof. K. S. Raganppa Auditorium, School of Planning and Architecture, Manasagangothri, Mysore. The major objective of the programme was to make the parents and students aware of the academic aspects of the course, the rules and regulations of the institute and ensuring parental participation in monitoring the performance and progress of students.

Then the students were welcomed and gave them an introduction regarding the academic disciplines.

Event Objective:

- To bridge the gap between students & faculties.
- To aware the students about the college culture and inform the students about the code of conduct.
- To prepare the students about their career goal & how to work on it.
- To involve and learn about the career development process and develop their skills.
- To create awareness among about the various co-curricular and extra activities helps the student for their overall development.
- To create awareness among students about the professional etiquettes.
- To promote the students for enhancing their skills & learn about the various innovative ways to enhance their career.
