

## Report on World Environment Day Celebration

Environment day is celebrated worldwide on 5<sup>th</sup> June to create awareness among people about protecting the environment. The first-ever Environment Day was held in 1973. Environment Day acts as a platform that helps create awareness about various issues that have adverse effects on the environment, like global warming, overpopulation, pollution, and crime against wildlife.

In Our department, The day began with Beautiful message shared by our M.H Khan, DYSP, Assistant Director Karnataka Police Academy Mysuru, Resource Person. A Special Orientation Lecture on the Revised Bharatiya Navya Sanhitha Bharatiya Nagarik Suraksha Sanhita and Bharatiya Sakshya Adhinyama and Planted saplings at Botany Department and The main objective of Observing this day was to bring about a changes in their attitude towards the environment and advocate partnership between each human being and society to ensure a safe future for all.
