Dear Madam/Sir,

Subject: Mobilizing Student Participation in Viksit Bharat@2047, to celebrate forthcoming 100th year of India Independence, an initiative launched by Govt. of India - Your support sought

** ** ** *

I am writing to bring to your attention an important initiative that holds immense significance for the future of our nation - Viksit Bharat@2047. This visionary goal, set by the Government of India, aims to transform our country into a developed nation by its 100th year of independence.

Our Hon'ble Prime Minister has invited youth of the country to participate in India's bold, ambitious and transformative agenda i.e. Viksit Bharat @2047 by participating in a youth movement of "Ideas from Youth for Viksit Bharat@2047".

A webpage "Ideas for the Vision of Viksit Bharat@2047" has also been developed on mygov.in (<https://innovateindia.mygov.in/viksitbharat2047/>) to enable youth to share suggestions on their vision of Viksit Bharat by 2047. On the portal, participants will be actively encouraged to contribute their suggestions on following three aspects:

1. How should a Viksit Bharat look like in 2047 in different aspects?
2. What do we need to do to reach this goal?
3. What can you do to make Viksit Bharat@2047 possible?

Prizes will be awarded to 10 best suggestions received, 2 each in five themes

- (i) Empowered Indians
- (ii) Thriving and Sustainable Economy
- (iii) Innovation, Science & Technology
- (iv) Good Governance & Security, and
- (v) India in the World

India accounts for 20% of the world's total young population. Viksit Bharat is an enormous opportunity for them. Therefore, it is important that our postgraduate students and PhD scholars participate in 'Ideas from Youth for Viksit Bharat@2047' enthusiastically and in large numbers.
